

Understanding Asperger Syndrome

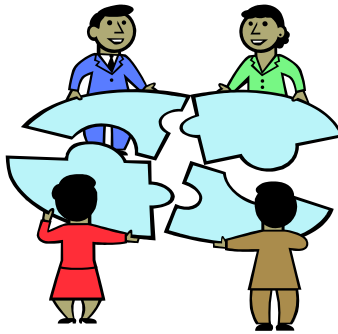

A Two-Session Workshop

Thursdays, November 3 & 10, 7 - 9 p.m.

Presenter: Colleen O'Leary Card

Special School District Central Office, Room 60
12110 Clayton Road

(just east of Ballas Road, south of Highway 40, enter through lower level of building)

This presentation will help parents to identify and understand the social, communication, sensory and behavioral characteristics of Asperger syndrome. Parents will gain an awareness of effective and practical strategies for each of the areas that will support their child in being more successful at home and school. The second session will focus more in-depth on strategies and will include time for discussion and questions.
