

Please join us for an orientation to Special School District and the services provided to your child.

This information session will:

- Help you participate in planning your child's Individualized Education Plan (IEP), and understand your rights in the process
- Give you information about the services that are available through SSD and in the community
- Provide you with a Parent Handbook and information about your child's special need or disability
- Show you the Family & Community Resource Center, with its enormous collection of materials on parenting and disability related topics
